

Leicestershire County Council Community Speedwatch Pledge of support.

What is Community Speed Watch? – Your Parish Council, or Traffic Action Group, will be loaned a speed detection device to undertake its own traffic monitoring with the assistance of volunteers. The details of vehicles caught speeding will be passed on to the Police for consideration of a letter that explains the purpose of the project to be sent to them. Repeat offenders could face prosecution. This is an opportunity for the community to help itself in dealing with the problem of speeding, please sign the pledge below.

I pledge my support to the Community Speed Watch Scheme.
